

Main South Road Duplication Project – Stage 2

Old Coach Road finishing works

We are doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

While Main South Road has opened in its final configuration, some finishing works will continue over the coming months. To safely undertake these works, a partial closure of Old Coach Road is required.

How this affects you

From 7pm Monday 9 March 2026, for approximately two weeks, access to Old Coach Road from Main South Road will be temporarily closed.

During this time, access from Old Coach Road onto Main South Road (northbound) will remain open.

Motorists are advised to follow onsite signage and traffic management directions.

Some noise disturbance can be expected during these works; however, every effort will be made to minimise disruption wherever possible.

We will contact you directly if the works are expected to impact your property. Local access will be maintained at all times.

Please note, the Aldinga Skatepark entrance on Old Coach Road will be closed during these works. Alternative access will be available via the Aldinga Football Club.
