

# Main South Road Duplication Project – Stage 2

## Night works

**We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.**

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

## What's happening

We'll be undertaking asphalt works at the intersection of Sellicks Beach Road and Main South Road.

## How this affects you

**From Sunday 13 April 2025 for approximately 2 weeks**, Sellicks Beach Road between Forth Street and Main South Road and Main South Road between Country Road and Perth Street will be **temporarily closed at night between 7pm and 7am**. Both roads will re-open outside of these hours.

During this time, all traffic travelling north and south will detour via Country Road, Justs Road and Norman Road. Please see map overleaf for more information.

Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress. In addition, we will contact you if the work may directly impact your property, however, local access will be maintained.

Adverse weather may impact our works, but we'll keep you updated via our website.
