

Main South Road Duplication Project – Stage 2

Night works

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

We'll be undertaking drainage works along Main South Road between Norman Road and Sellicks Beach Road.

How this affects you

To safely undertake these works, **Main South Road will be temporarily closed between Norman Road and Sellicks Beach Road from Monday 16 June until Saturday 28 June 2025.** Works will be undertaken between **7pm and 7am Monday to Friday**, with Main South Road reopening at 7am each morning.

During this time all traffic will be detoured via Sellicks Beach Road, Justs Road and Norman Road. Please see map overleaf for more details.

Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress. In addition, we will contact you if the work may directly impact your property, however, local access will be maintained.

Access for Emergency Services and Heavy Vehicles will be facilitated at all times.

Adverse weather may impact our works, but we'll keep you updated via our website.
