

Main South Road Duplication Project – Stage 2

Ongoing night works

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

Following the opening of the Aldinga Bridge, we'll be undertaking earthworks and drainage works along Main South Road to continue constructing the new Aldinga Beach underpass.

How this affects you

Until June 2025, we will be undertaking works along Main South Road at the intersection of Aldinga Beach Road and Aldinga Road between the hours of 7pm and 7am.

Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress.

In addition, we will contact you if the work may directly impact your property, however, local access will be maintained.

Adverse weather may impact our works, but we'll keep you updated via our website.
