

Main South Road Duplication Project – Stage 2

Work update

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

Night works will be undertaken on Main South Road, between Stonehouse Lane and Colville Road, **on Thursday 29 August 2024** before traffic is moved onto the new northbound on/off ramp on Friday 30 August 2024 for approximately 12 months.

How this affects you

To keep everyone safe, speed and lane restrictions will remain in place while throughout the project area. Works will include installation of new and removal of old safety barriers as well as asphalt works and line marking on the new surface.

Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress. In addition, we will contact you if the work directly impacts your property and local access will be maintained.

When

Thursday 29 August 2024

Hours of work

Between the hours of 7pm and 6am.

Where

Main South Road between Stonehouse Lane and Colville Road

Temporary traffic switch on Main South Road

From Friday 30 August 2024, traffic travelling north and south on Main South Road will be moved onto what will eventually be the northbound on/off ramp of the new Aldinga Interchange. Hart Road will remain closed at the junction of Main South Road and speed and lane restrictions will also be in place. Access to Aldinga Road and Aldinga Beach Road will be maintained.
