

Main South Road Duplication Project – Stage 2

Works update

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

As we approach project completion, we'll be undertaking asphalt and finishing works along Main South Road between Port Road and Hahn Road, including the Aldinga Interchange.

How this affects you

To safely undertake these works, **Main South Road between Port Road and Hahn Road will be closed for night works between 7pm and 7am each night. Aldinga Beach road, between How Road and Main South Road, and Aldinga Road, between Plains Road and Main South Road will also be closed during these times. All roads will reopen at 7am each morning.** Detours will be in place during these works, please see map overleaf for detour information.

Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress. In addition, we will contact you if the work may directly impact your property, however, local access will be maintained. Access for emergency vehicles will be maintained at all times.

Due to the nature of construction, work programs and traffic arrangements may need to change at short notice. Stay up to date by registering for SMS updates. Visit www.fcalliance.com.au/SMS for more information or to register.

When

Wednesday 14 January
and Thursday 15 January
2026
