

Advance notice of weekend works and temporary traffic restrictions on Sherriff Road, Tatachilla

As part of the Main South Road duplication project, weekend works will be required at the intersection of Sherriff Road and Main South Road to continue the intersection upgrade by installing new road pavement. These works will ultimately result in improved road safety and driving conditions for road users.

Timing of work

To safely undertake these works and minimise the impact to road users, Sherriff Road will be closed at the intersection of Main South Road **between 7pm Friday, 17 March 2023 to 6am Monday, 20 March 2023**, weather permitting.

To safely facilitate these works the following traffic management will be in place please see the **map overleaf**.

Works will include

- profiling and placement of granular pavement and asphalt layers; and
- trucks, excavators, tippers, compaction equipment, and lighting towers.

Farms undertaking vintage will be contacted by the project team and worked with closely to discuss and accommodate machinery movements wherever possible.

Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area. VMS boards will be used to advise any changes to traffic conditions.

Some noise disturbance can be expected at times while these works are completed, however, the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible. You may also notice some light spill from mobile lighting towers.

Access for emergency service vehicles will be maintained at all times during these works
