

Advance notice of night works on Main South Road, between Robinson Road and Pedler Road, Seaford Heights

The Australian and South Australian governments have committed a total of \$685 million to fund the Fleurieu Connections Main South Road and Victor Harbor Road Duplication projects. These projects will result in safer and faster journeys for motorists and provide a vital boost for local tourism, communities, and support hundreds of jobs each year during construction.

Timing of work

To safely undertake these works and minimise impact to road users, night works will be undertaken along Main South Road from **Friday, 14 July 2023, until the end of August 2023** between the hours of 7pm and 6am, weather permitting.

Works will include

- Common Service Trench (CST) works (installation of conduits);
- installation of light poles; and
- landscaping.

Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area. VMS boards will be used to advise any changes to traffic conditions. See **map overleaf** for more detail.

Some noise disturbance can be expected at times while these works are completed, however, the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible. You may also notice some light spill from mobile lighting towers.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access. Please continue to support the local businesses.

Access for emergency service vehicles will be maintained at all times during these works.

Keep up to date and plan your journey

The Fleurieu Connections Alliance appreciates your cooperation and patience while these essential works are undertaken.

Weather conditions may affect our progress. We will let you know if there are any changes to the scheduled work. If you are impacted by these works, please contact us at 1300 896 826.
