

Main South Road Duplication Project – Stage 2

Perth Street temporary closure

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments

What's happening

We'll be undertaking final construction and finishing works at the Perth Street and Main South Road junction. Works will include kerbing, landscaping, asphalt and line marking.

How this affects you

From Sunday 11 January 2026 until late January, Perth Street, at the junction of Main South Road, will be temporarily closed 24 hours a day to safely complete these works.

During this time, local traffic can access Main South Road via Country Road, Justs Road and Norman Road (see map overleaf). Sellicks Beach Road can also be used as an alternative route; however, it will be closed at times during the works.

Please follow traffic management directions while work is in progress. Some noise can be expected, but we'll try to minimum any disturbance. We will contact you if the work may directly impact your property.

Emergency vehicle access will be maintained at all times.

When

From Sunday 11 January 2026 until late January.

Hours of work

24 hours a day

Where

Perth Street and the junction with Main South Road

Perth Street temporary closure – from Sunday 11 January 2026

From Sunday 11 January 2026 until late January, Perth Street, at the junction of Main South Road, will be temporarily closed 24 hours a day to safely complete these works.

During this temporary closure, all local traffic can access Main South Road via Country Road, Justs Road and Norman Road. Please see map overleaf for more information.

Sellicks Beach Road will also provide access to Main South Road as an alternative; however, Sellicks Beach Road will also be closed intermittently during these works.

Please follow traffic management directions while work is in progress. Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum.

Emergency vehicle access will be maintained at all times
