

MAIN SOUTH ROAD AND PEDLER ROAD (NORTH) INTERSECTION

As part of the Main South Road Duplication project, the upgraded Main South Road and Pedler Road (north) Intersection will improve safety for local traffic.

What to expect

Changes to traffic arrangements include:

- southbound traffic on Main South Road will have a dedicated left turn lane onto Pedler Road (north);
- northbound traffic on Main South Road cannot turn right into Pedler Road (north);
- traffic exiting Pedler Road (north) can only turn left onto Main South Road and head south.
- Pedestrians and cyclists will use a new Shared Use Path. This path will travel under Main South Road to connect into the Coast to Vines rail trail, and over the new Pedler Creek bridge to head south.

U-turns:

- U-turn functions are available for traffic in both directions at the signalised intersections on Tatchilla Road and Port Road;
- for southbound traffic, a U-turn facility is located between Branson Road and Malpas Road; and
- for northbound traffic, a U-turn facility is located between Thomas Road and Sherriff Road.
