

Main South Road Duplication Project - Stage 2

Work Notice

To construct Stage 2 of the Main South Road Duplication project we will be removing the southbound overtaking lane at Sellicks Hill. Once the project is completed in 2026, this part of the road will be dual lanes.

Main South Road will be closed at night (between 7pm and 6am, each night), from Sunday 5 May to Thursday 16 May 2024. From 16 May 2024 northbound traffic will be switched onto the former overtaking lane. Please see the map for more information.

What else is happening

Between Old Coach Road, Aldinga and Sellicks Beach Road, Sellicks

In addition to the removal of the southbound overtaking lane, during May and June we will be undertaking:

- **Site Establishment and Management:** including preparing the site by clearing it, doing necessary earthworks, removing vegetation, surveying the area, setting up utilities, installing drainage systems, creating access points, and maintaining cleanliness by sweeping and watering, especially in dry and windy conditions.
- **Asphalt work:** road repairs, laying asphalt and line marking;
- **Speed and lane restrictions** will apply throughout the project area.

How this affects you

Some noise and light spill can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress. In addition, we will contact you if the work directly impacts your property. Detour information will be provided on VMS boards in your local area and on the website. Weather conditions may affect our progress.
