

Main South Road Duplication Project – Stage 2

Works update

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

We'll be undertaking works on Sellicks Beach Road from Monday 21 October 2024 until Monday 23 December 2024. Works will include pavement construction; water main relocation works and new stormwater infrastructure.

How this affects you

During these works Sellicks Beach Road will be closed between Forth Street and Main South Road.

There will be no access to and from Main South Road into Sellicks Beach Road, however local access for residents and businesses on Sellicks Beach Road will be maintained. Traffic controllers will be on site to help manage traffic flow. Access to Main South Road will be via Justs Road and Norman Road. Detour information is provided over the page.

No works be undertaken on Saturday nights or on Sunday during the day.

Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum. We will contact all properties directly impacted prior to works commencing. A further closure of Sellicks Beach Road will be required to complete intersection works in early 2025, following the holiday period, Tour Down Under and public holidays. All works on this intersection are expected to be complete in February 2025.

Adverse weather may impact our works, but we'll keep you updated via our website.

When

From Monday 21 October 2024 until Monday 23 December 2024

Hours of work

24 hours a day

Where

Sellicks Beach Road,
Sellicks Beach
