How this affects you

Some noise and light spill can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while works are in progress.

The confirmed dates for these works will be advised on our VMS boards and on our website closer to the time. In addition, the Community and Stakeholder Engagement Team will contact you if the work directly impacts your property.

The confirmed dates for these works will be advised on our VMS boards and on our website closer to the time. In addition, the Community team will contact you if the work directly impacts your property.

Detour information will be displayed on VMS boards in your local area and on our website.

For further information

Weather conditions may affect our progress. If you are in an area close to these works and have any questions, please feel free to contact the project team at 1300 896 826 or scan the QR Code.

Kind regards
