

Notification

March and April

Main South Road Duplication Project – Stage 1 Robinson Road to Pedler Road

What's happening

The Main South Road Stage 1 and Victor Harbor Road Duplication projects are nearly complete. As part of the completion works there will be ongoing changes to traffic conditions and some night works throughout March and April 2024.

Work across the project includes:

- **Traffic management:** removal of safety barriers, signage installation, asphalt work and road safety audits and inspections;
- **Road maintenance:** line marking, signage repairs, guard rail and safety barrier installation, pavement repairs and weed spraying; and
- **Dust Management:** including road sweeping and watering down if dry and windy weather.

Please find over the page a summary of planned night works throughout March and April.

How this affects you

Some noise and light spills can be expected, but we will try to keep these disturbances to a minimum. Please follow traffic management directions while works are in progress.

The confirmed dates for these works will be advised on VMS and on our website closer to the time. In addition, we will contact you if the work directly impacts your property.

Detour information will be provided on VMS in your local area and uploaded to the website.

When

During March and April 2024
