

Main South Road Duplication Project – Stage 2

Night works

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

We'll be undertaking night works on Aldinga Beach Road between How Road and Main South Road. Works will include barrier movements, drainage install, service investigation, under bores and earthworks.

How this affects you

From Monday 18 November 2024 Aldinga Beach Road will be reduced to single-lane traffic during night works for approximately three weeks.

Drivers can expect some short-term delays while night works are underway. Alternative routes, including via How Road and Port Road will remain accessible.

Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress. In addition, we will contact you if the work may directly impact your property, however, local access will be maintained.

Adverse weather may impact our works, but we'll keep you updated via our website.

When

From 18 November until mid-December 2024

Hours of work

Monday to Saturday between the hours of 6pm and 6am.

Where

Aldinga Beach Road between How Road and Main South Road
