

Main South Road Duplication Project – Stage 2

Night works

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

We will be undertaking asphalt works on Main South Road between Sellicks Beach Road and Country Road.

How this affects you

To safely undertake these works, Main South Road will be temporarily closed between Sellicks Beach Road and Country Road for **two nights on Tuesday 28 January and Wednesday 29 January 2025** between 7pm and 7am. Main South Road will reopen at 7am each morning.

During these temporary closures, a detour via Sellicks Beach Road and Country Road will be in effect. Please see map overleaf for more information.

Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress. We will contact you if the work may directly impact your property. However, local access will be maintained.

Access for Emergency Services will be provided at all times. **Heavy Vehicle operators will need to contact traffic controllers on UHF 19 when approaching the closure and will be escorted through the work zone on Main South Road.**

Adverse weather may impact our works, but we'll keep you updated via our website.
