

FLEURIEU CONNECTIONS ALLIANCE

OSH Commitment Statement

VISION

The Fleurieu Connections Main South Road and Victor Harbor Road duplication projects will result in safer and faster journeys for motorists and provide a vital boost for local tourism, communities and support hundreds of jobs each year during construction.

MISSION

Work together safely to deliver a quality project with respect for the community and environment.

MANAGEMENT COMMITMENTS

To achieve our safety and health objectives, we commit to:

- Comply with all safety and health legal requirements applicable to the Project.
- Put safety and health first and ahead of production.
- Encourage, respect and listen to all ideas.
- Lead by example.
- Provide the right equipment and support to carry out the work.
- Senior project leaders be visible in the field to review work processes and promote our ONE HSE Culture.
- Provide a supportive safety culture by embracing behaviours that contribute to safe workplace.
- Never compromise my safety or the safety of others.
- Be empowered to stop unsafe work.
- Present myself fit for work.
- Comply with the project's critical safety essentials.
- Report every incident.
