

Main South Road Duplication Project

Notification

The Fleurieu Connections Main South Road (Stage 1) and Victor Harbor Road duplication project are nearly complete.

What's happening

Northbound lanes at the Port Road underpass will be temporarily closed for two nights each month between June and August for monitoring works.

Monitoring will involve survey and inspection of the Port Road underpass to ensure it is performing as expected now that we have opened the road.

Please see map for more information on the detour.

How this affects you

Some noise can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress. In addition, we will contact you if the work directly impacts your property. Detour information will be provided on VMS boards in your local area and on our website. Weather conditions may affect our progress.

Kind regards

Community and Stakeholder Engagement Team

When

Two nights each month between June and August 2024

19 and 20 June
17 and 18 July
14 and 15 August

Hours of work

Night works between 7pm to 6am

Where

Port Road underpass
