

Main South Road Duplication Project – Stage 2

Works update

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

We'll be undertaking works on Sellicks Beach Road from **Sunday 29 September to 27 October 2024**. This will allow us to install safety barriers as well as new stormwater infrastructure.

During these works traffic will be reduced to a single westbound lane at all times. **There will be no access to Main South Road from Sellicks Beach Road**, however **access from Main South Road will be maintained**. Detour information is provided over the page.

How this affects you

To keep everyone safe, speed and lane restrictions will remain in place throughout the area. Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum.

We will contact you if the work directly impacts your property however local access will be always maintained.

Adverse weather may impact our works, but we'll keep you updated via our website.

When

From 29 September until 27 October 2024

Hours of work

24 hours a day

Where

Sellicks Beach Road,
Sellicks Beach

Sellicks Beach Road - Changed traffic conditions.

From 29 September until 27 October 2024, Sellicks Beach Road will be reduced to westbound traffic only. Drivers wishing to access Main South Road will need to use Justs Road and Norman Road for Northbound or Country Road for Southbound. Vehicles can still access Sellicks Beach Road from Main South Road during these works.
