

# Main South Road Duplication Project (Stage 2)

## Night Works - Southbound on and off ramps

**We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.**

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

### What's happening

Works are being carried out ahead of opening the new southbound on and off ramps at the Aldinga Interchange. Due to weather impacts **the new southbound on and off ramps at Aldinga will now open during week commencing Monday 29 September 2025**. To coincide with this activity, we'll be installing street lighting, asphalt and pavements works on the Port Road on-ramp and Stonehouse Lane junction.

### How this affects you

The Port Road on-ramp will be temporarily closed, 24 hours a day, from 7am Monday 29 September 2025 until 7am Monday 13 October 2025, weather permitting, to safely undertake these works.

During this temporary closure, all southbound traffic from Port Road will be access Main South Road via How Road and Aldinga Beach Road. Please see map overleaf for more information.

Access to Stonehouse Lane will be via the soon-to-be completed link road, from Aldinga Road. Signage will be in place to guide you. Please follow traffic management directions while work is in progress. Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum.

#### When

From 7am Monday 29 September 2025 until Monday 13 October 2025

#### Hours of work

**24 hours a day**

#### Where

Port Road, Aldinga
