

Main South Road Duplication Project – Stage 2

Night works

We're doubling the capacity of Main South Road from Aldinga to Sellicks Beach to improve safety and make your journey more reliable.

The \$810 million Fleurieu Connections project is jointly funded by the Australian and South Australian governments.

What's happening

We'll be undertaking asphalt and pavement construction works along Main South Road.

How this affects you

Until late November 2025 we'll be undertaking asphalt and pavement works to the south of the project site. Works will be continuous (24 hours a day), with speed restrictions in place throughout the work area **between 7am and 7pm**.

Between 7pm and 7am each night, Main South Road will be closed between Norman Road and Country Road. This will include the junction of Sellicks Beach Road and Perth Street. Please see map overleaf for detour and local access information.

Access will be maintained for Heavy Vehicles and emergency services at all times. Some noise disturbance can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while work is in progress.

Due to the nature of construction, work programs and traffic arrangements may need to change at short notice. Stay up to date by registering for SMS updates. Visit www.fcalliance.com.au/SMS for more information.
