

Notification

June and July 2024

Victor Harbor Road duplication project

What's happening

With these projects nearing completion, and as part of the completion works there will be ongoing changes to traffic conditions and some nightworks throughout June and July 2024:

- **Traffic management and minor civil works:** barrier works, signage installation, finishing works, road safety audits, drainage, inspections and line marking;
- **Asphalt work:** road pavement works, patch works, including profiling, asphalt placement and asphalt cores;
- **Dust Management:** including road sweeping and watering down if dry and windy weather; and
- **Earthworks:** environmental controls, landscaping and topsoil placement.

How this affects you

Some noise and light spill can be expected, but we'll try to keep these disturbances to a minimum. Please follow traffic management directions while works are in progress.

The confirmed dates for these works will be advised on our VMS boards and on our website closer to the time. In addition, the Community and Stakeholder Engagement Team will contact you if the work directly impacts your property.

Detour information will be displayed on VMS boards in your local area and on our website.

The table below shows works in your area. We will keep you informed with information.

When
